Dear Mr. Nelson:

I have received several inquiries you have made for information on products I sell; Paper Cutters, OBlique Filing and Binders.

I know you do not want people calling you and only want literature. I would like to arrange an appointment to show and discuss the products I carry in greater detail as I feel the literature cannot answer all of your questions.

Attached find literature and post card which I would appreciate your filling out a time and day that we could get together.

Hoping we can work something out on this in the near future.

Very truly yours,

MARTIN SYSTEMS
